

PPMD-PPPS-SO-2024-12-

SPECIAL ORDER

No. 193

Series of 2024

**SUBJECT : CREATION OF THE BAFE TECHNICAL WORKING GROUP (TWG)
ON THE WATER MANAGEMENT IN MARSH/SWAMP AREAS FOR
FOOD PRODUCTION PROJECT**

In light of the recent convergence between the Department of Agriculture (DA) with the Department of Public Works and Highways (DPWH) and National Irrigation Administration (NIA) regarding collaboration on improving water management practices by harnessing surface and channel runoff in marsh/swamp areas for agricultural use, the internal BAFE TWG is hereby created for the fulfillment of BAFE's role in the convergence as technical member and secretariat:

Leader: Baldwin G. Jallorina, Ph.D.
Director IV

Assistant Leader: *BAFE Assistant Director*

Members:

Plans and Specifications Engr. Louiegi L. Centeno
Engineer III, EPDSD

Engr. Renren Jay R. Pasia
Engineer II, EPDSD

Mapping Engr. Arnel L. Tenorio
Interim PKMDD Chief

Engr. Lorenz T. Barba
PEO I, PKMDD

Planning and Monitoring Engr. Rose Ann C. Arienda
OIC PPMD Chief

Engr. Benjamin S. Baradi II
Engineer II, PPMD

Project Management Engr. Allan C. Goleng
OIC SEPPD Chief

Engr. Hessian Roy D. Necio
Engineer II, SEPPD

The BAFE Internal TWG shall have the following responsibilities:

1. Develop and review the project concept note;
2. Prepare maps based on the submitted shapefiles and plans from DPWH, NIA, and BSWM;
3. Prepare the detailed program of works, including budget and resource plans, and a detailed engineering designs of the project;
4. Prepare/Review feasibility study of the project; and
5. Attend and participate in the meetings, workshops and other activities in the planning, implementation and monitoring of the project including coordination with the other concerned agency such as the DPWH, NIA, and BSWM.

The expenses to be incurred in the performance of the duties and responsibilities shall be charged to the funds allocated to BAFE, subject to and in accordance with the existing government accounting and auditing rules and regulations.

This order shall take effect immediately and shall remain in force unless revoked in writing. All orders, memoranda, and issuances inconsistent herewith are deemed revoked.

Done this 10th day of December 2024.

BALDWIN G. JALLORINA, Ph.D.
Director IV
